

SET APART MINISTRY

30-Day Bible Reading Plan

A clear starting point for reading the Bible one chapter at a time.

Faith. Encouragement. The Word.

Where Do I Start?

If the Bible feels overwhelming, start with Jesus, then move into prayer, wisdom, grace, and everyday Christian living. Read one chapter each day. You do not need to understand everything before moving forward.

Simple rhythm: Read the chapter. Write down one sentence that stands out. Ask: What does this show me about God? What should I trust, change, or do?

When You Miss a Day

Do not quit and do not try to punish yourself by reading five chapters at once. Pick up where you left off. The goal is not to finish a checklist. The goal is to know God and become familiar with His Word.

A Simple Prayer Before Reading

Lord, open my understanding. Help me see what is true, receive what I need, and obey what You show me. Give me a hunger for Your Word and the patience to keep learning. Amen.
